

Lakeshore Project Graduation \$24 for Class of 2024 Fundraiser

We are kicking off our very last fundraiser of the year for Project Graduation 2024. We appreciate all your help thus far. This fundraiser will be a social media fundraiser. We are asking each senior to try to collect \$24 donations from 24 friends and family members.

The graphic can be shared on any social media platform and money can be collected by cash, check or venmo account. You and your student will collect any donations and return the money in an envelope, with your student's name, to the school by the **due date: March 26, 2024.**

We will be sharing information on our *Facebook page: Lakeshore Project Graduation* and information can be found on our website at www.lakeshoreprojectgrad.com.
