

LHS Project Graduation Calendar FUNDRAISER

We are excited that our Seniors are so close to graduation. What a huge milestone! Let's show them how proud we are of them with this easy fundraiser.

How it works: number of the date on the calendar translates into the dollar amount for each donation. **Day 1 = \$1, Day 10 = \$10, Day 30 = \$30.**

Parents and Seniors, take a picture of the calendar and post it on social media, send out an email or print it and take it to work to find sponsors. We need your help to make the **CLASS of 2023** event a huge success! Collect your donations (by cash, check, or personal venmo) and return all money collected to the front office by **March 14th in an envelope with the SENIOR'S NAME on the envelope.** Money returned can be **cash or checks made out to LHSPG.**
