

# LHS Project Graduation Sponsorship Opportunities

LHS Project Graduation needs to raise \$30,000 each year to create a special experience for our graduates. Please help us reach our goal!

Sponsorships from local businesses and corporate headquarters are the backbone of monetary funding for Lakeshore Project Graduation. Through monetary gifts, LHSPG rents and pays for the party activities, entertainment, student raffle gifts and door prizes. This money is invested into the event. The Seniors are wowed by the event itself and are given a lasting memory with their Senior class. We are proud to have community involvement, without which, LHSPG could not happen.
